

Interacting with blocks CREAMO Social Skill Enhancement Program

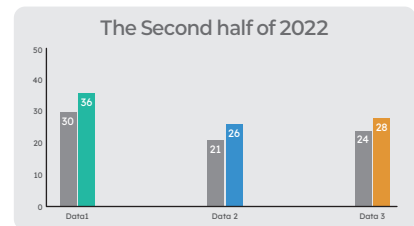

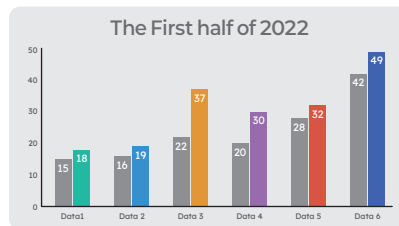

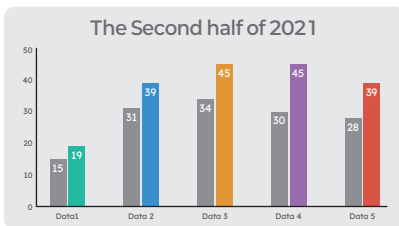

! ? What is CREAMO's Social Skills Enhancement Program?

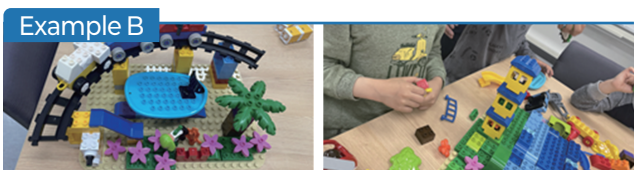

Through fun block play, children can experience social interactions with individuals, objects, and people, **enhancing their social skills.**

! CREAMO's Various Experiences

Social Skills Enhancement Program for Autism Spectrum Disorder (ASD)

We have gained diverse experiences through collaboration with various local daycares and welfare centers for children and adults with autism.

This is incredible! I wasn't aware that the child already had such an extensive vocabulary.

I am impressed that my child who didn't talk showed interest in other child work.
